rotary and orbital

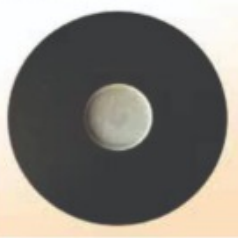

TP43 ORBITAL ensures perfect grip to the floor surface

TP43 ORBITAL ensures perfect grip to the floor surface

Diamond Abrasive Pads TMB MidPad
Available in 4 different grains: APP1 - APP2 - APP3 - APP4. Ideal for re-smoothing and re-polishing marble floors.

Velcro Pad Holder
Velcro is glued to the entire surface and provides better resistance in case of considerable friction. It is suitable for heavy duty tasks, thorough cleaning and maintenance cleaning of carpeted floors.

Nylon Brush for Cleaning
For cleaning hard surfaces, with joints and irregularities.
