

Better ergonomics, better reliability, better cleaning

BR755/755C/855 is the generation of scrubber dryers, with focus on performance, ergonomics and reliability. Key features including an extremely low sound level, making daytime cleaning possible in sensitive areas, outstanding traction for efficient double scrubbing tasks, and excellent drying efficiency. The Ecoflex™ system keeps the consumption control, but it also guarantees the possibility to boost temporarily water, detergent and brush pressure for more aggressive cleaning tasks. The BR755/755C/855 series is simply the better choice.

- Ecoflex™ prepared: green, flexible, nice and easy
- User friendly, waterproof OneTouch™ control panel and easy to operate
- High manoeuvrability allows cleaning in congested areas
- Adjustable scrubbing pressure ensure a wide range of cleaning application from daily scrubbing to restoration
- Integrated vacuum motor with low noise level for daytime cleaning applications
- Operator's easy access from left and right side
- Large battery compartment enables a 400Ah battery tray for more than 4.5 hours running time
